

Refurbished Product Grading System

Grading	Description
A+/-	Hardware and cosmetic condition is like new. No signs of wear or use. Screen contains no dead pixels or blemishing.
B+/-	Hardware and cosmetic condition is great. Performance is as expected for product. Little to no signs of wear or use. Screen contains less than 3 dead pixels with little or no blemishing.
C+/-	Hardware and cosmetic condition is okay. Performance is lower than expected for product but is in a usable state. Obvious signs of wear or use. Screen contains more than 3 dead pixels with some blemishing.
D+/-	Hardware and cosmetic condition is degraded. Performance is subpar. Shows excessive signs of wear or use for product. Screen contains more than 5 dead pixels or has obvious blemishing.
F	Product is unusable or is for parts and materials.

Disclaimer: Our grading system is for informational purposes only and describes the average condition of the device based on internal evaluation at Fox Technologies. It is not an absolute descriptor of the product.
